Payment of Transfer charge of Mental Patient Sadhuram Anant Shania

General & Revenue Secretariat. Med File No. 243 of 1934 [App. F. III–2

Serial No.

From the Senior Surgeon

Letter No G C 219-9 dated 22-6-1936

States that no case has been made out for the payment of the transfer charges of Sadhuram Anant Shania, who was admitted at Bombay 21 years ago. That if the Bombay Govt feel disinclined to continue their patient in the Hospital, they might get him transferred at their cost for his being admitted in the State Mental Hospital.

The Sr Surgeon states that he is doubtful if the transfer charges claimed (Rs 64-7-0), is a legitimate charge to be borne by the State, as the patient was admitted in Bombay 21 years ago. On this subject of the case being intimated to the Bombay Govt, they withdrew their claim for maintenance charges but stated that the transfer charges had to be paid (Vide Letter flagged X & M).

It is for orders if the transfer charges may be admitted on a further representation made to the Govt of Bombay through the Residency, refusing to pay.

2) In regard to the admissibility of the charges itself, the Compilder may be consulted. if the bill is in order. This procedure was adopted in the payment of charges claimed on account of Lachman Narasimha Pandit

10) Under Government Order No.G.12990-Med.54-28-21 dated 3-5-1930 the maintenance and transfer charges are not required to be paid by the Mysore Government as the patient was admitted into the Hospital at Bombay long before the issue of the above Government Order accepting the reciprocal arrangements in respect of the maintenance of Lunatics belonging to Bombay Government.

11) If however it is the intention of Government to accept transfer charges of the patient from Yeravada to Bangalore, the claim is verified as stated below

Single III Class Railwayfare by mail from Poona to Bangalore via Arsikere is Rs 12-3-0 whereas it works upto Rs 10-8-0 via Guntakal. If the journey had been made via Guntakal there would have been a savings of Rs 3-6-0 for ~~Second~~ 2 Third Class fares during the forward journey.

12) It is not clear from the statement whether the journey was actually made via Arsikere by mail train or ordinary.

22 JUNE 1936

Sir,

Adverting to your Memo No.G.9982/Med.243-34-12 dated the 11th June 1936 about the reumbursement of the cost of transfer of mental patient Sarvotham Anant Shina, I have the honour to invite kind reference to the last para of my letter No.G.C.219-6 dated 4-11-35 and my Un-official Note No.G.C.219-4 dated 2-7-1935, and to state that no case has been made out for the payment of the transfer charges of this patient, who ~~has been~~ was admitted at Bombay 21 years ~~back~~ ago. As I explained, if the Bombay Government feel disinclined to continue the patient in their Hospital, they might get him transferred at their cost, and we may then have no objection to take him on in our State Hospital. Instead, a bill has now been sent on account of the transfer charges to be met by the Mysore Government. I am doubtful whether this can be accepted as a legitimate charge, payable by this Government.

As regards the bills that are of late being received from Bombay, in connection with the transfer of Lepers and Mental patients, I may be permitted to make a few observations. In the present bill, a single 3rd class ~~+ ½~~ inter class for the journey to Bangalore, and 1½ inter class for return is claimed for the attendant. In connection with the bill of transfer of another mental patient Narasimhamuthu Laxmidoss Swami (vide letter No.G. 10567/Med.162-34-7 dated 30-5-1935) 1½ inter class fare for both the journeys is claimed on the score that these attendants are in superior service. In a third bill, of transfer of 6 lepers from Bombay (vide your letter No.G.6052/Med.248-33-4 dated 31-1-1936) the railway fare claimed for the police escort consisting of
